

# How to Navigate PCORI Online Application System from LOI to Full Application

**Ashton Burton and William Stewart**  
Contracts Management and Administration

June 22, 2015

PATIENT-CENTERED OUTCOMES RESEARCH INSTITUTE

## Welcome!

**Ashton Burton**  
Contracts Specialist,  
Pre-Award

**William Stewart, MEd**  
Contracts Customer  
Support Coordinator

## PCORI's Online Application System

- Staff will be available after the demo to help with specific questions (note that we will be working in a test environment).

The screenshot shows the PCORI Online login interface. At the top center is the PCORI logo, consisting of the word "pcori" in lowercase blue letters and a stylized graphic of three human figures in green and blue. Below the logo is the text "Welcome to PCORI Online". Underneath, on the left, is a "Login Now:" section with two input fields: "Username" and "Password", followed by a "Sign in" button. Below the "Sign in" button is a link that says "Reset or create password". To the right of the login fields, there is a "Technical Note" in red text: "Technical Note: Please use Chrome or Safari browsers." Below this note, there are two paragraphs of text. The first paragraph states: "If you are a new user, please register by clicking on the 'Create an Account Now' button." The second paragraph states: "If you are a reviewer or have applied to PCORI in the past, you do not need to create a new user account. Please click the 'Reset or create password' link to the left to receive your new password."

# Questions?

# Thank You!
