PCORI's Online Application System

- Staff will be available after the demo to help with specific questions.

The screenshot shows the PCORI Online login interface. At the top is the PCORI logo, followed by the text "Welcome to PCORI Online". Below this is a "Login Now:" section with two input fields: "Username" and "Password". A "Sign in" button is positioned below the password field. To the right of the login fields, there is a "Technical Note" in red text stating: "Please use Chrome or Safari browsers." Below this note, there are two paragraphs of instructions. The first paragraph states: "If you are a new user, please register by clicking on the 'Create an Account Now' button." The second paragraph states: "If you are a reviewer or have applied to PCORI in the past, you do not need to create a new user account. Please click the 'Reset or create password' link to the left to receive your new password." A link labeled "Reset or create password" is located below the "Sign in" button.

Questions?

Thank You!
