Smith, Jane
"Patient Centered Outcomes"
Awardee Organization

Dear Dr. Jane Smith

Congratulations! On behalf of the Patient-Centered Outcomes Research Institute (PCORI), I am pleased to inform you that today, February 20, 2015, the PCORI Board of Governors authorized your application for funding, titled: "Patient Centered Outcomes". We are pleased to be able to support your research.

Please note the following:

1. PCORI awards contracts, not grants. Even though your application has been approved, a final business and programmatic review must take place before you receive the award and funding. In order to start the award activation process, please return the attached Recipient Information Form to fundedofa@pcori.org by **March 1, 2015**. Upon receipt of this completed form, PCORI will e-mail you in the coming days to continue the award activation process. A contract must be executed between your institution and PCORI before this award is finalized. By entering into a contract, recipient accepts all terms and conditions as agreed upon by both parties. Until the award is fully executed, the proposed budget should not be construed as final. All pre-award costs are incurred by the applicant at risk.

Issuance of a Contract

Standard Language for PCORI Contract Activation

PCORI's Expedited Review Process
Due to the accelerated timeline for this contract, we are urging PI's to work closely with their institution to ensure that reviewing and signing the contract is a top priority. PCORI does not accept revisions to the contract terms and conditions unless an article:

1. Is not permissible by state law and does not already have the qualifier "to the extent permitted" under state law, or
2. Has a material adverse impact on your ability to enter into this contract.

If you have one of the conditions mentioned above please contact PCORI at fundedofa@pcori.org.

Recipient Actions Due by XXXX:

- Complete the attached Recipient Information Form.
- Using the PCORI Guide to Contract Activation, please address all requested insertions, validate the populated information in the contract, and verify that you have completed all requirements and are ready to execute your contract. Any changes to personalized Recipient information in the contract must be returned in MS Word using the "Track Changes" function so we may update our records. Then sign and return a PDF version and the MS Word tracked changes to PCORI at fundedofa@pcori.org.
- **Update(s) regarding your Final Budget (Attachment A):** We conducted a budget review and may have requested additional information. Please contact PCORI's Contract Department at fundedofa@pcori.org for additional instructions.
- Please submit copies of your institution's, as well as all subcontractors' federally negotiated or independently audited indirect cost rate agreement.
- **Update regarding your Milestone Schedule (Attachment B):** We conducted a milestone review and may have requested additional information. Please contact your PCORI Program Officer if you have additional questions.
- After PCORI receives your signed and completed contract, we will countersign and send a new copy to you for your records.

If you have any questions, please contact us at fundedofa@pcori.org.
